“

Very easy onboarding, happy to welcome more seamless from day one talents. The autonomous mindset makes integration seamless.

Employer · IT & Software Development

“

Escola 42 students have been a pleasant surprise — dedication, commitment, and a solid foundation that de-risks our hiring process.

Employer · Industrial sector

“

High learning agility is the key strength — they acquire new knowledge and apply it in real-world contexts faster than any other profile we recruit.

Employer · Consulting
